## FOOD CUTTER - LIMITED LIFETIME WARRANTY

The food cutter is crafted from only the finest quality steel available in the world and is manufactured to conform to the most rigorous standards known to the kitchenware industry. As such, each Food Cutter is guaranteed to be free of any and all defects in workmanship and materials for the lifetime of the product. This warranty is expressly granted in lieu of all other warranties except implied warranties. Lake Industries will replace or substitute at equal value any returned unit or accessory shown upon examination to be defective at our discretion, and without charge. Should any unit be damaged in a fashion not covered by this warranty, you are entitled to a replacement of that piece at a cost representing one-half of the prevailing suggested retail price. With the exception of damages resulting from Lake Industries failure to comply with federal or state warranty law, this warranty does not cover any incidental or consequential damages, whether direct or indirect. Some states do not allow the exclusion of limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary state to state. All transportation charges and shipping expenses are the purchaser's responsibility. If service becomes necessary, return the product postage paid, with a written description of the claimed defect.
