## **Oil Core Skillet Limited Lifetime Warranty**

This certifies that your Lake Industries Stainless Steel cooking utensil is warranted by Lake Industries to be free from defects in material, construction, and craftsmanship for as long as you own your oil core skillet. The heat control and cord are warranted for one year from the date of purchase.

If service should become necessary, send product with a description of the claimed defect, proof of purchase from the authorized distributor and package with sufficient protection, insurance, freight or postage prepaid, to the address below. All transportation charges and shipping expenses are the purchaser's responsibility. Any part or parts, which, upon examination by Lake Industries are found to be defective, will be repaired or replaced without charge during the warranty. This warranty is limited to the original purchaser and is not transferable. Coverage for your oil core skillet terminates if you sell or otherwise transfer the oil core skillet. The warranty does not apply to damage caused by failure to follow the instructions enclosed, accidents, misuse, abuse, or alterations, nor does it cover damage resulting from service by persons other than Lake Industries authorized service personnel. If exact product is not available, comparable product of equal value will be used for replacement.

Lake Industries' liability for this warranty is limited to the repair or replacement of defective skillet. With the exception of damages resulting from Lake Industries' failure to comply with federal or state warranty law, Lake Industries shall not be liable for any incidental or consequential damages, whether direct or indirect. Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty is expressly granted in lieu of all other warranties except implied warranties. All implied warranties including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose, are limited in duration to the period of this express warranty.

This warranty gives you specific legal rights and you may also have rights that vary from state to state.

If you have questions concerning the use and care of this product, of the service under this warranty, or otherwise, please contact Lake Industries.
